**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who thinks broadband competition is important. I work at home and need to be able to rely on my internet service. Without competition, there's no incentive to keep prices down or keep the service stable and even improving. Without this service, I won't be able to work at home!
